

I would like to comment on the potential new broadcast service of LPFM. I currently listen to a Christian radio station over an FM translator service. It is my understanding that LPFM could take priority over FM translators. I am against this. Living in an isolated area, our opportunity for contemporary Christian music is limited. Therefore, without K-LOVE my opportunity to listen to this type of programming would be virtually non-existent. I know that many people in the community where I live listen to this station and enjoy it. In fact, most of the folks that listen here support it financially on a monthly basis in order to have the service. We believe in it that much! The programming offered by K-LOVE is family friendly which is not easy to find these days! It is my sincere hope that you will not allow LPFM to take priority over FM translators. If you have any questions or need additional information, please contact me at the email address above. Thank you for the opportunity to comment on this.
